**Summary of reasons
for classification:**

The DVD *Gonzo Girls 2* is classified as:
Objectionable.

The publication contains a sexually explicit feature intended for a male audience. The extent and degree to which the publication deals with highly problematic sexual conduct makes its availability injurious to the public good. The publication encourages an arousal response to the contemptuous treatment of women, and is likely to normalise and reinforce misogynistic attitudes towards women, such as male entitlement to women's bodies, and women's unquestioning servility.

The classification of this publication interferes with the freedom of expression, as set out in section 14 of the New Zealand Bill of Rights Act 1990. This is a reasonable limitation given the extent and degree to which the publication depicts sexual conduct of a degrading, dehumanising, and demeaning nature that degrades, dehumanises, and demeans women, and represents women as an inherently inferior class of person under s3(3) of the Films, Videos, and Publications Classification Act 1993.
